12th Floor Corridor Carpet Replacement

Our new corridor carpet is being delivered and prepared for installation today.

Carpet installation by Kelly Carpet Company is expected to begin on the 12th floor this week. The process will entail:

- cutting up and removal of the existing carpet and padding,
- preparing the floor for new carpet
- leveling the transition between the new carpet and the tile on the north and south edges of the elevator landing, and
- securing the new carpet into place.

We urge all unit owners and guests to exercise caution while in the corridor during this floor work.

Thank you for your patience and for your cooperation.
